Team Member Spotlight

Education and Development Specialist Tracy Spade RN, noticed one of her patients seemed down and he shared that he was sad because he was never going to get to go to a casino again. Over the past week, Tracy coordinated and planned a trip for him to play the slots one last time! He was met by his wife and son and the look on his face says it all!!!

Tracy worked with the Casino to get him Free Play and a free meal card as well as worked with Regional Care Coordinator Jonathan to arrange transportation.

Thank you Tracy for all of your work and commitment to our patients, families and your co-workers. YOU are the Transitions Difference!

What is the Age of Onset Rheumatoid Arthritis?

You're never too old or too young to

be diagnosed with this chronic condition, but one age group is especially vulnerable.

"Dr. Jose L. Agusti and his team are an epic combination of medical professionals & support staff! One moves from endlessly searching for a practitioner who will actually make a home-visit, to the god send moment of meeting Dr. Agusti. This doctor heals with his heart & soul on top of his medical background!"

Open House in Marshall, IL!

To our new and amazing Marshall team, congratulations on a successful open house and ribbon cutting!!

"Want to thank the Social Worker and all the nurses at Transitions Care who took great care of my mother. She loved them all very much and so did I. I would recommend them to any one. I want them at my mother's funeral and hope they all can make it, because my mother told them if anything happens to her they better be there. Because if not she's coming back to haunt them!"
